

## 2016-17 Choice School Transportation Follow-up Information

Below is transportation information primarily for parents with students who may attend a Choice School as follows:

- West Shore Junior/Senior High, 242-4730
- Edgewood Junior/Senior High, 454-1030
- West Melbourne Elementary School, 956-5040
- Freedom 7 Elementary, 868-6610
- Stevenson Elementary, 454-3550

### **Carpooling:**

Each Choice School has a process to provide parents information about how to communicate with other parents about carpooling. Parents may call their respective school at the phone number above and inquire about the parent carpooling contact.

### **Space Coast Area Transit (SCAT) – fixed route bus connections near BPS Choice Schools**

The table below contains information provided by Space Coast Area Transit (SCAT). There are several current fixed routes with stops at or within a very reasonable walking distance to the listed campuses. Buses are also equipped with bicycle racks. SCAT offers reduced bus fares for students and passes can be purchased in 1-ride, 10-ride or 30-day increments.

### **Community Vanpool**

Information related to Vanpool “Park & Ride” services can be found at: <https://www.ridescat.com/vanpool-park-ride/>

### **Other Private Providers**

There is one other private provider of student transportation that has a presence in Brevard. American Logistics Company (ALC) is a national passenger transportation management company serving transit agencies, school districts and the healthcare industry. ALC does not operate school buses, rather, they transport students using automobiles and passenger vans. Anyone wishing to inquire about the possibility of service can contact ALC directly at:
